

2023 Open Minigolf Youth European Championships welcome message from WMF Vice President Youth

On behalf of the World Minigolf Sport Federation I am thrilled to invite all minigolf youth players from Europe and the world to the beautiful Vergiate in Italy for the 2023 Open Minigolf Youth European Championships. After a successful comeback to live tournaments with the World Championships in Murnau am Staffelsee in Upper Bavaria last year, we move forward to the south side of the Alps for a new and equally exciting event. The Championships will be played at the heart of Italian minigolf: on a concrete course in the centre of Vergiate, home of the ASD Golf Su Pista Vergiate and, in fact, home of the Federazione Italiana Minigolf. Five tournament days will begin on 8.08.2023 and last until the 12.08.2023, with official training days beginning already on the 4.08.2023. We have scheduled four modes of play: individual strokeplay and matchplay, mixed pairs and national teams competition. Join us at the main event in youth minigolf this season for an unforgettable experience brought to you by World Minigolf Sport Federation, the Italian Minigolf Federation and Golf Su Pista Vergiate. *Ci vediamo in Italia!*
